The East Missouri Optimist qualifying tournament is held in cooperation with the Gateway PGA's Junior Program.

Qualifying Information:

A limited number of golfers in each division advance to the international championships provided they shoot the minimum qualifying score. If a golfer who lives outside the District qualifies, his/her participation will not eliminate a District resident from qualifying. The East Missouri District provides financial support for winners in the top age group for Boys and Girls, to attend the international championships. There is no guarantee financial support will be provided to golfers who travel outside of their home District. Please check with the District Chair for details.

Age Eligibility Information:

In order to be eligible, a golfer must provide proof of age per the Divisions list below. Participants are required to provide a copy of a birth certificate, driver's license, baptismal record, or passport as proof of age. Golfers must be enrolled in high school or must be a 2026 high school graduate to be eligible. Any golfer who has attended college is no longer considered a "junior golfer" and is not eligible to participate.
